year's course and is promoted to the second year's course and prays for the continuance of his scholarship and is recommended by the Principal of the Institute

Although Government have now ceased giving scholarship for the study of Mechanical Engineering at Bombay yet considering the peculiar circumstances of the student in question I recommend that Government may be pleased to grant to Venkatarangiengar a scholarship of Rs.20 per mensem for one year from 1st January 1914, as a special case, out of the balance of Rs 960 available out of the provision of Rs 8580 for the award of Technical scholarships in the current year's Industrial Schools' Budget

I have the honour to be,

Sir,

Your most obedient servant,

Inspector General
